Dear Sir,

I, Dr Jean E. Sohna Sohna inventor in the above patent application would like to make my position of record in this application.

I declare that the list of inventors in this patent application has been deliberately falsified by introducing names of Employees and Managers who were not inventors. I alerted the Company, Solexa Ltd (now part of Illumina) of the irregularities in the inventorship determination in early 2005 unfortunately they have declined to take any steps to correct the list of inventors.

I have declined to sign the Declaration of Inventorship and the Power of Attorney because of the above falsification.

Yours faithfully,

A handwritten signature in black ink, appearing to be "Jean E. Sohna", written over a horizontal line.
